Paul Douglas Mann

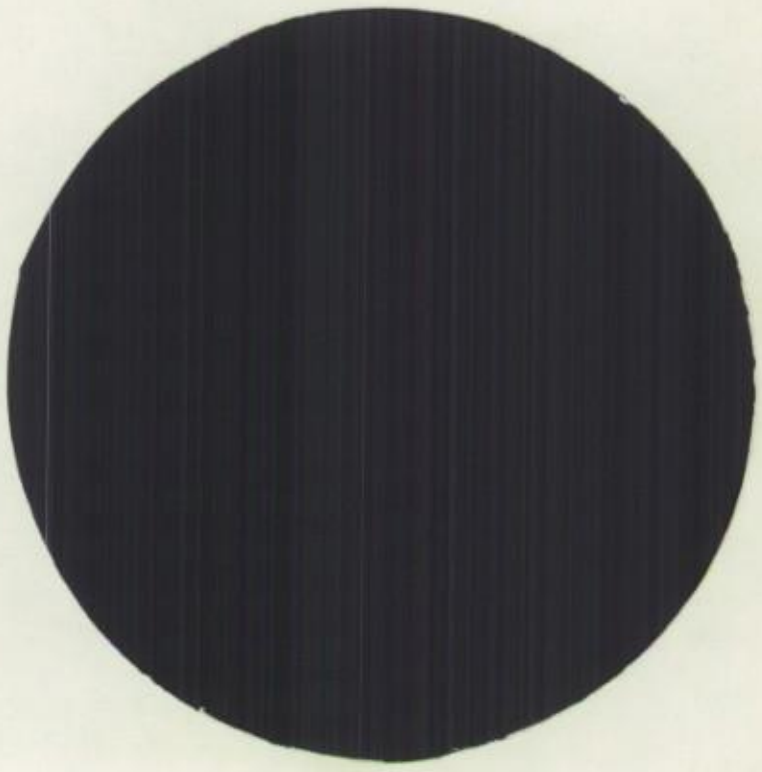
Hello,

Paul! Don't get mad at Cheryl because she let me sign it! I hope you and Cheryl stay together and get married. You two belong together, you're two very sweet people. Good-luck.

Lori Parvin
(Houseright).

Paul, you don't know me but Cheryl has told me a lot about you and you sound real sweet! I hope you and Cheryl stay together forever!

Paula Stroud



Paul.

You are a pretty cool dood and it has been a real experience getting to know you. I hope we can goof around together some after graduation. Good luck!

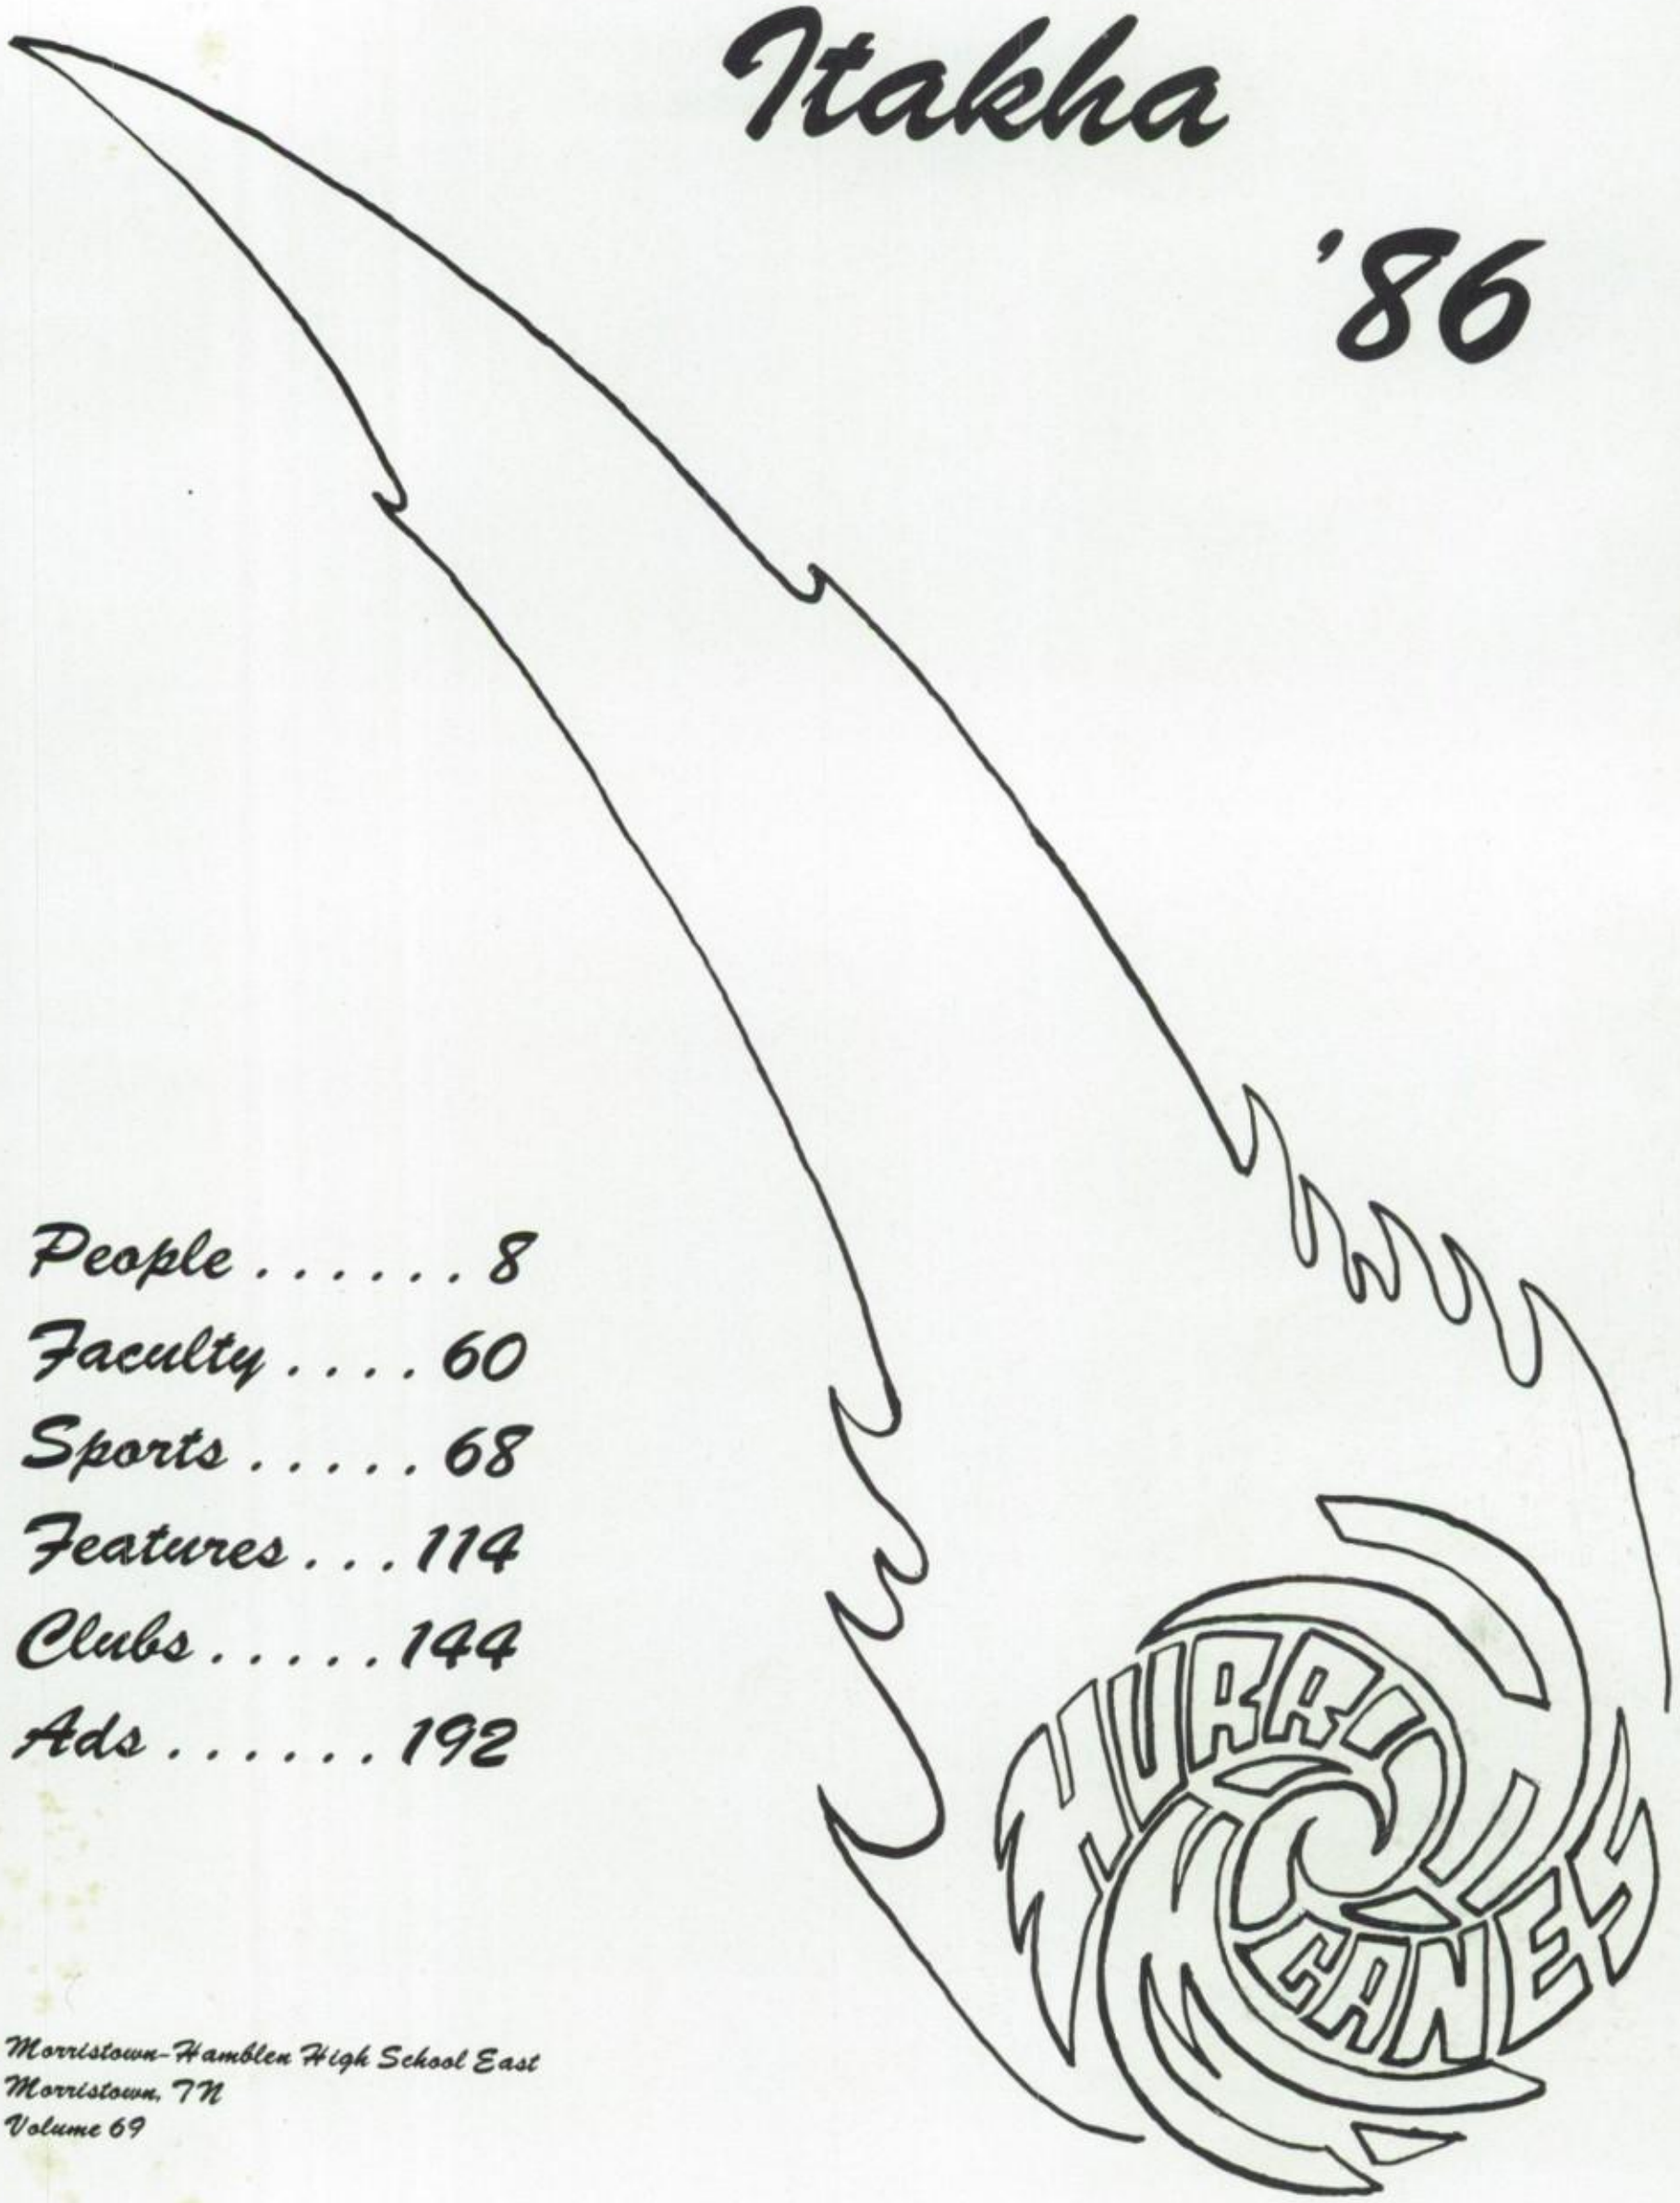
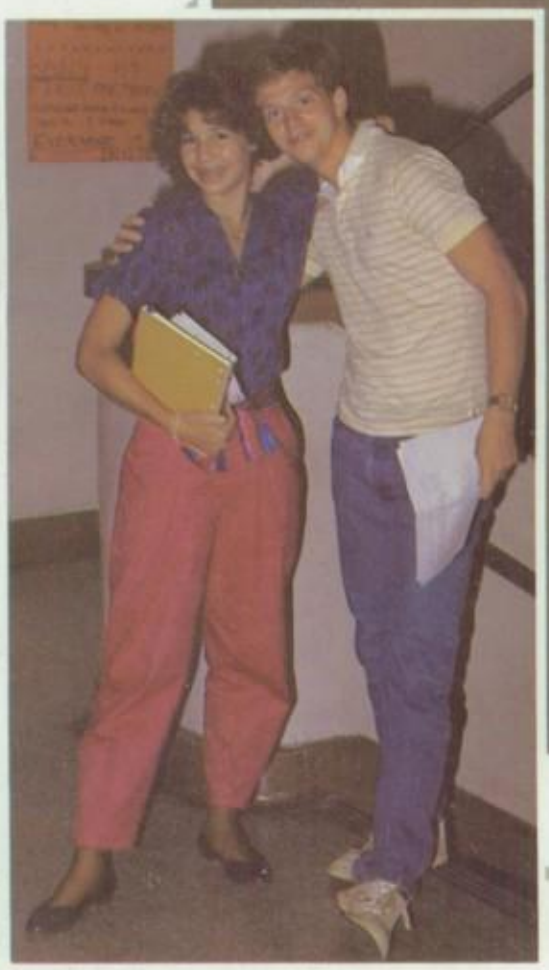
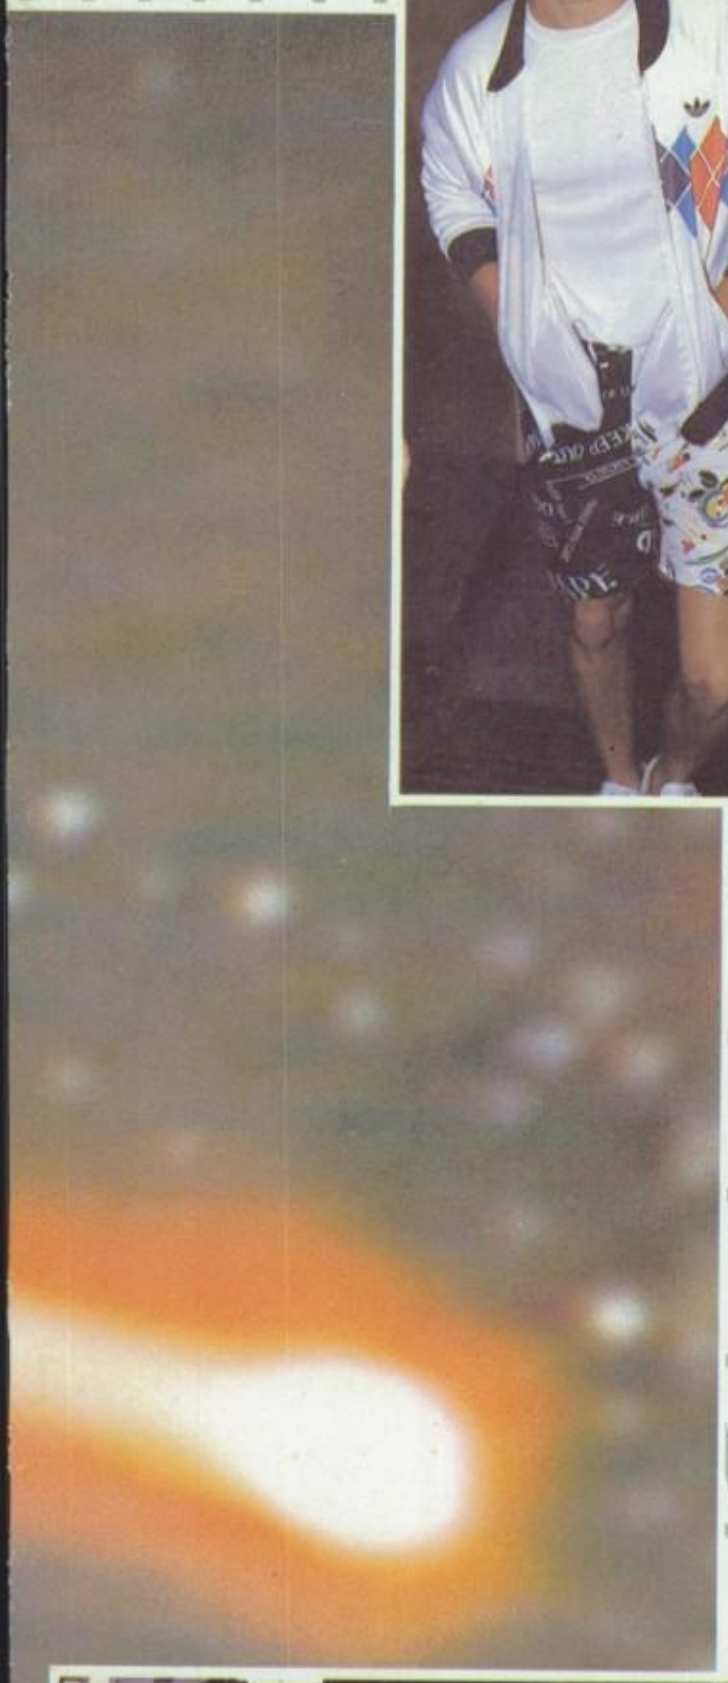
Volume 69







"These are the snows of yesteryear."

When Carl Sagan said this, he was speaking of the billions of icy orbs that circle around our solar system, billions of miles away — the comets. This fact is significant because the theme of this yearbook is, in fact, based on one such icy orb — Comet Halley. (Which is, by the way, pronounced HAHley, not HAlLey.) But in a larger sense, these are the records of our lives now, records of the few brief feelings and emotions captured within these pages; records which many years from now we will call the memories of what we once were. These are, indeed, the snows of yesteryear.

The preceding paragraph is entirely depressing and has no place in the opening section of a yearbook. Please ignore it from this point forward.

Edmond Halley first correctly predicted the return of the celestial body which bears his name, and on November 22, 1682, at 6:30 p.m., the prediction came to pass. Of course, not everyone considered the comet to be a god-send. Each time the comet has appeared, dire predictions of world destruction and wide-spread disease have been shouted by self-proclaimed prophets. Here are just a few historical findings:

44 B.C. — The comet appears several months after the murder of Caesar, and it is said to be the victim's soul rising to heaven.

60 A.D. — In order to assure that the comet does not cost him his throne, Emperor Nero executes his possible successors.

1531 — Before Francisco Pisaro conquers the Inca Empire, the comet blazes over the skies of Peru.

1910 — Oklahoma sheriffs arrive to prevent a human sacrifice to the comet by Americans calling themselves Select Followers.

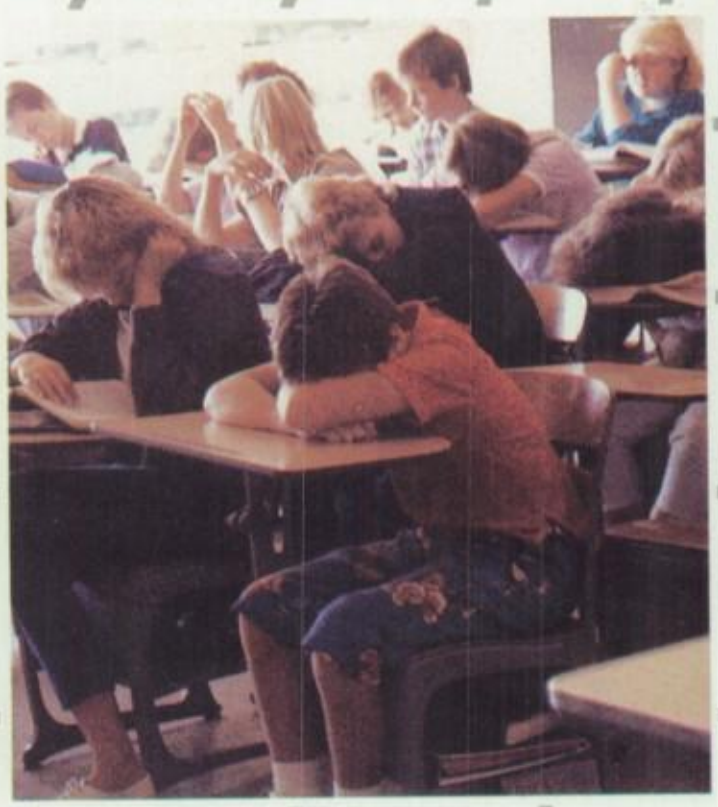
The paranoia accompanying the comet has extended itself into the sales of comet pills and lightning rods. People flock to the altars to confess their sins — "just in case." This year's return of the comet is not without money-making schemes and propaganda. The market has been flooded with Halley's Comet T-shirts, buttons, books, bumper stickers, and telescopes. However, the student body of East seems

quite unaffected by all this and is probably unconcerned with the content of this page. Now, take heart, and for the next 500 words, relive the historical months between August, 1985, and May, 1986.

Halley's Comet made its appearance slowly and unsurely, for the first time in 76 years, becoming visible to the naked eye only in November. Its once in a lifetime appearance reflected our slow, unsure reentry into school life. We warmed to (or at least began to warmly tolerate) the influx of new rules, new people, and new traditions. The upper classmen tried to hang on to their memories of what East had once been, while the freshmen began to form their own memories of East.

The comet's cycle brought us the arrival of two new administrators, Mr. Roach and Mr. Shepherd. Mr. Williams made his debut presentation of Mr. Russell's "Sap's a-risin' " speech. As a sort of afterthought, doesn't it seem odd that we didn't receive I.D. cards this year? As another sort of afterthought, doesn't it seem odd that Lance snack food won out over Frito Lay in our cafeteria? In light of this, doesn't it seem reasonable that many people began

1 If you haven't an inkling 2 of what this means, read the book.
2 There's that word again. 3
3 Gee! We're wasting space. 4
4 The staff sincerely apologizes for this.

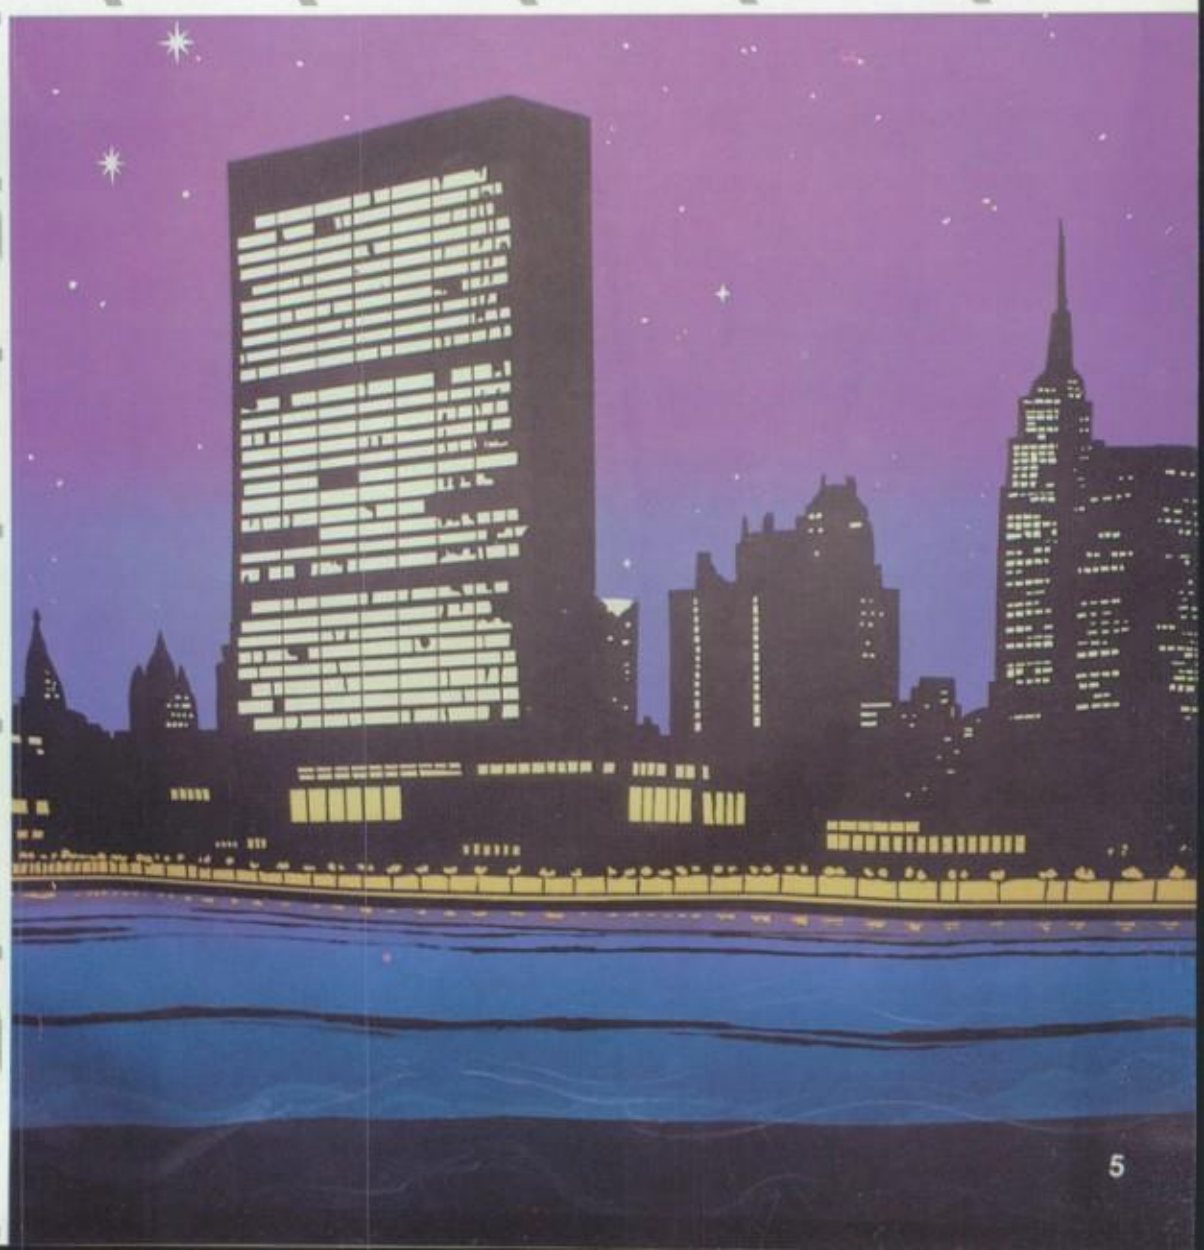


to strike out for The Restaurant at the End of the Universe?[1]

Halley's strange appearance also marks the first time a particular individual jumped out of an airplane in a kamikaze attempt on a Knoxville driveway. Doesn't it seem odd that we should mention something like that in this yearbook? If it does, never mind it; publication deadlines make writers say weird things.

As a more conventional facet of our so recently past school year (did we say recently?), we would like to point out that styles in clothing, music, and movies remained the same except for the following exceptions: studded bracelets were eliminated from our legal apparel, a particularly unusual movie depicted where many people will undoubtedly want to go after going through this yearbook — "Back to the Future," and an unusual number of intensely usual songs made it across our airwaves.

Sorry! We seem to have let another odd slip of pen get by. You haven't an inkling (sorry) of what a publication deadline can do to a yearbook staff.



Now to put a quick clincher on all of this. As we grew used to the changes in school, Comet Halley grew in brightness until it suddenly failed to grow in brightness but succeeded in growing in dimness and finally disappeared behind the sun during the Holidays, which was the exact same time our minds began to grow academically dim in anticipation of Christmas vacation. Then the comet grew in brightness as we returned to our senses. It reached its highest point in April when we enjoyed our Spring Vacation and thoughts of the approaching summer. In May, the comet left us, pursuing its course to the outer reaches of the solar system, as we began to pursue trajectories of our own — toward summer and away from school, toward the future and away from the past.

A five-hundred word theme? . . . 498, 499, 500.

"All of my teachers through high school have taught me the importance of pride and self gratification. Also, they taught me to set goals twice as far as I could reach.

If society were different we might be content just to do something well. But no one should be pleased to simply do what he does. What is important for us to reach is that which does not exist. Thus, success is found in the median." — Shannon Collins

"My senior year has been one of the most enjoyable years of my life. The responsibility of being a leader of the school, the triumphs, and the joys I have had during my senior year will have a lasting effect. My only disappointment is that it all will end." — Jeff Wright

BASEBALL

Coach Richard Price, the 1985 District II AAA Coach of the Year, assisted by Jerry Williams, once again produced a terrific team. The 1985 Hurricane Team started on the right foot when they ventured to Florida to compete in the tournament there. When they returned, they had won 8 of 11 games. This foreshadowed their excellent season of 28-9. They also earned the Conference Title for the third time in 5 years, and later came in second in the District. These feats were achieved with the aid of two record breaking players, Hank Smith and Ken Edenfield. Although losing seven seniors, Mike Bacon, Tommy Buchanan, Charles Cole, Ken Edenfield, Tim Elliott, Ricky Martin, and Randy Watkins, the Hurricanes have many promising players returning for the 1986 season, and they are expected to do well.

A picture paints a thousand words!

JV BASEBALL

In 1985, for the first time in the history of East High School, the Hurricanes had a Junior Varsity Baseball team. This revolutionary squad consisted of 1 junior, 5 sophomores, and 12 freshmen. The team, which had an overall record of 11-7, was led by pitcher Lindell Porter and Spencer Lewis, who had a batting average of .428.

SOFTBALL

In the past years, the Hurricanettes have played extremely well, winning their Conference and Regional divisions every year since 1979. The 1985 team did not fail this tradition as they proceeded to the state playoffs with an overall record of 21-4, an improvement from last year's excellent season. This outstanding team was led by All-Conference players, Sandy Brown, Susan Mayhew, and Alisa Sanders. The Hurricanettes also boasted a consistent pitcher, Lacy Antrican, who had a record of 20-3 on the mound. Coach Hux lost only one senior, four-year All-Conference Player Sandy Brown, who also won the honor of District Player of the Year.

First row: Paula Tipton, Rachel Henderson, Lea Ann Talley, and Teresa Whited. Second row: Susan Mayhew, Cristy Noe, Renee Steele, Shannon Vannoy and Sonya Walker. Third row: Lacy Antrican, Sandy Brown, April Talley, Alisa Sanders, and Robin Music.

BOY'S TENNIS

Under the leadership of Coach Canter, last year's Boy's Tennis team proved successful. The 1985 team completed the season with a record of 7-7, although they were 6-4 in the Conference. The Hurricanes also finished third in the Conference and fourth in the District under the leadership of All-Conference Players Mike Nicholson and Buddy Manis.

GIRL'S TENNIS

The Girl's team, led by Coach Canter, ended their '85 season with a record of 8-3, and a Conference record of 7-3. The Hurricanettes also polished off a terrific year by placing second in the Conference and first in the District. The '85 team was led by the Champion of the Girl's Singles, Alisa Brandenburg, and her doubles partner, Mary Ann Bales. With this outstanding talent, the Girl's team finished third in the Region. Alisa Brandenburg later topped off her 17-2 season by finishing third in the state tournament. She is the first girl in the history of East High to achieve such a goal.

TRACK

Although the East Track team did not have the most desirable record this year, they did display great effort and remarkable sportsmanship. This young team was led by MVP's Betty MacDonald, one of 6 seniors, and Upton Dabney. Although the 1985 team, led by Coach Wallace and Coach Quarles, ended with a disappointing 0-7 season, they have a great number of good prospects for the 1986 season.

First row: Leanne Davis, Lisa Smith, Beth Rush, Coach Quarles, Pam Greene, Betty MacDonald, Angie Murray, and Steve Hall. Second row: Leigh Ann Cook, Authenia Treece, Pam Martin, Tanya Hoard, Kelley Lewis, Terry Southern, Scotty Carpenter, and Chris Wylie. Third row: Scorer, Cindy Martin, Delinda Stokes, Yolanda Sherles, Pam Thompson, Susan Fox, Nikki Ford, Sonny Wilkinson, Ron Howerton, and Coach Wallace. CROSS COUNTRY

This year, as always, the East Cross Country team had a superb season. Although plagued with injuries, the Boy's Team and the Girl's Team completed the year with perfect 6-0 records. Both teams also competed in the Conference and Regional tournaments placing well in each. The '85 team was led by All-Conference players Pam Greene, and Lisa Wolford, and by MVP's Angie Murray and Scotty Carpenter. These award-winning runners were backed by mostly underclassmen, which prompted Coach Hooban to say, "The boys will be strong next year." Coach Hooban lost only Lisa Wolford to graduation, promising another strong girls team, as well.

Freshman George Yount will certainly be a source of future talent.

Dalton plays by intuition, not eyesight!!

Does the flag dictate the number of players per cup?

GOLF

By the end of the Fall, Coach Mills had led another Hurricane Golf team to victory. With the aid of All-Conference Freshman Jeff Moore and All-District Senior James Dalton, the 'Canes placed second in the Conference and the District. Being dubbed a "more balanced team" than last year, by Coach Mills, the golfers went on to compete in the Regional tournament. Since only James Dalton will be lost to graduation, Coach Mills should certainly be optimistic about next season.

First row: Jeff Moore, Brad Campbell, Clint Harrison, Jonathon Eaton, and Mitch Smith. Second row: Coach Mills, Tim Long, Saju Joy, James Dalton, Bryan Epps, and William Worley.

Jeff Moore was a major contributor to the 'Canes 45-38 season.

FOOTBALL

From the beginning of this year, Coach Carlis Altizer led off a small and struggling team to a 3-7 season. Although these 'Canes gave the best they had, they seemed often to come up on the short end of the score. In the early part of the season, the Varsity Football squad lost many close matches to such teams as Greenville, Knox Carter, and Cocke County. Later, though, the 'Canes luck turned really sour when they had a very large deficit at the end of the game against nationally ranked Jefferson County; however, these losses were broken by a win on the road over Crockett. Then, the old adage, "When it rains, it pours" was proven as the Hurricanes lost in the next game at Homecoming to McMinn County. These losses were overshadowed, though, by the sweet silver lining to this black cloud. In the last game of the season, the 'Canes proved their determination and their ability to overcome the hard times of the past. Coming off a win over South Greene, the Football team proved to our cross-town rival that they meant business. In the most exciting and best-played game of the year, the 'Canes won the City Championship 21-19.

FRESHMAN FOOTBALL

Who says rainy days are always bad?

This year, despite a lack of players and a few injuries, the Freshman Football squad ended its season with a record of 5-3. However, this statistic does not accurately sum up the effort of this team. After a slow start, the 'Canes made a spectacular come-back, that climaxed with an 8-0 shutout against Jefferson County that was witnessed by the student body. As a result of showings like this, it is obvious we shall be hearing names like Hodges, Altizer, Wilder and Bault in the future.

Don't run over your own man Mark!

Wilder carries two opponents for extra yardage.

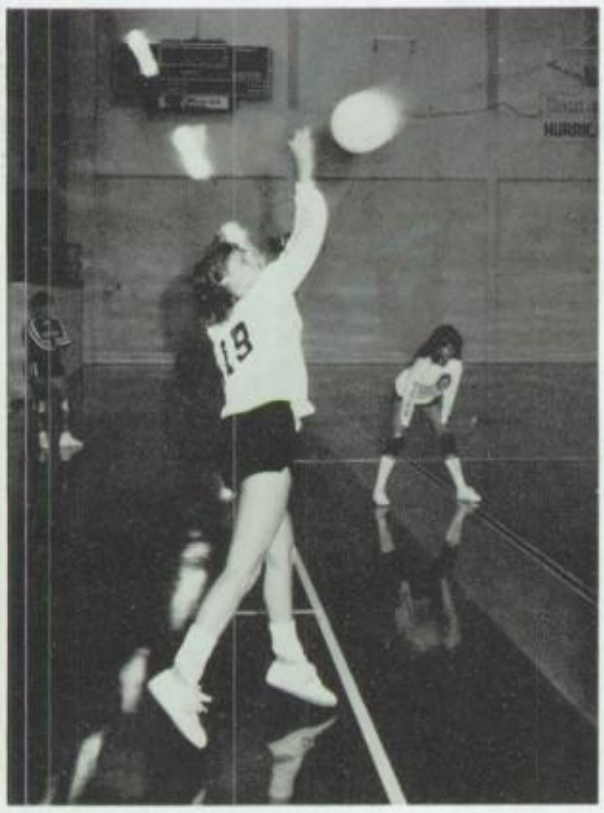
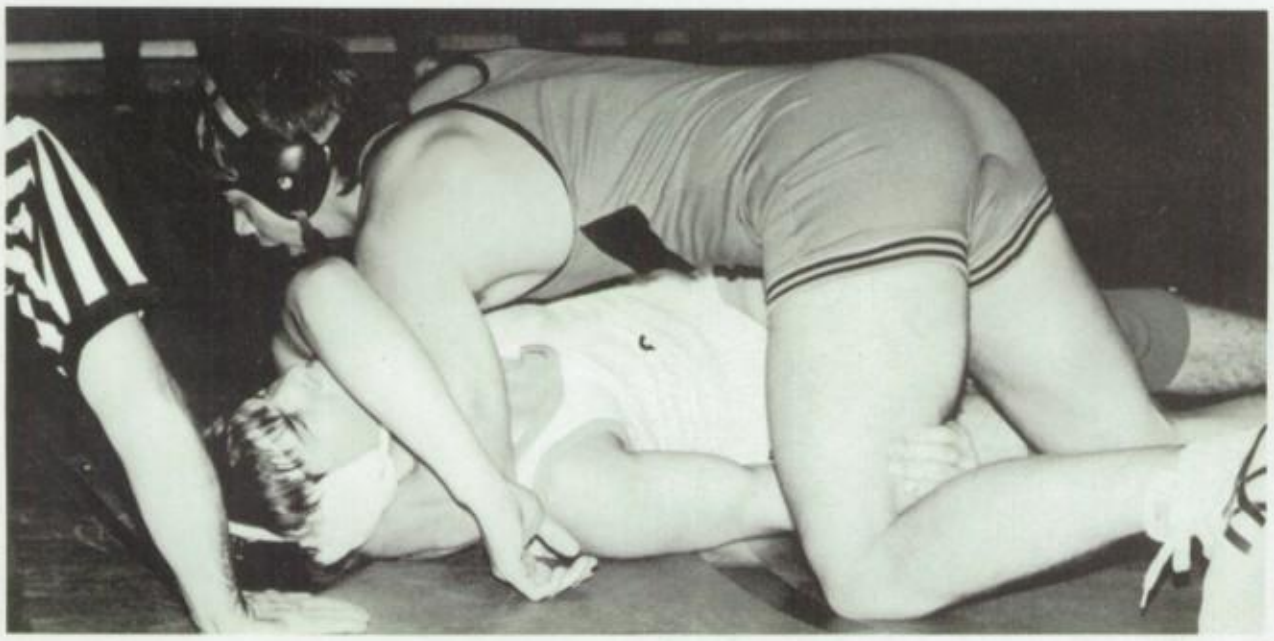
VOLLEYBALL

The Volleyball team got off to a slow start this year, placing poorly in their Jamboree at East High during early September. Thus, their season record of 5-5 was better than expected. After the Jamboree, the Lady Canes played well, but they continued to lose by narrow margins to such squads as Greeneville, Cherokee, and Crockett. Later in the season, however, Coach Walker helped her team to reverse this trend, as the Volleyball team won 4 out of 5 games, beating Jefferson, West, and Cherokee during this string of victories. The honorary title of All District Tournament Player was earned by Michelle Yount, Alisa Sanders, and LaDonna Murrah during post season play when these girls led the Lady Canes to a third place finish in the District.

Lynette "stuffs" the opposition.



Serving has deformed LaDonna's hand.

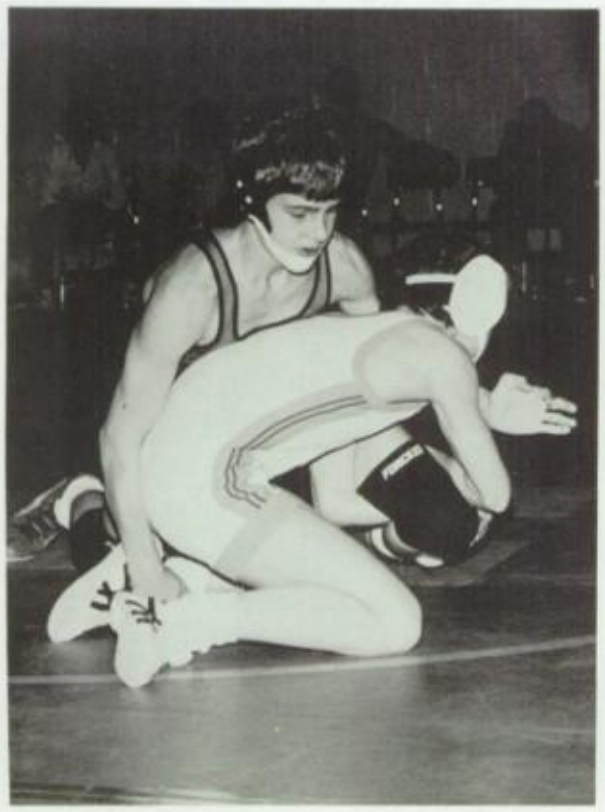


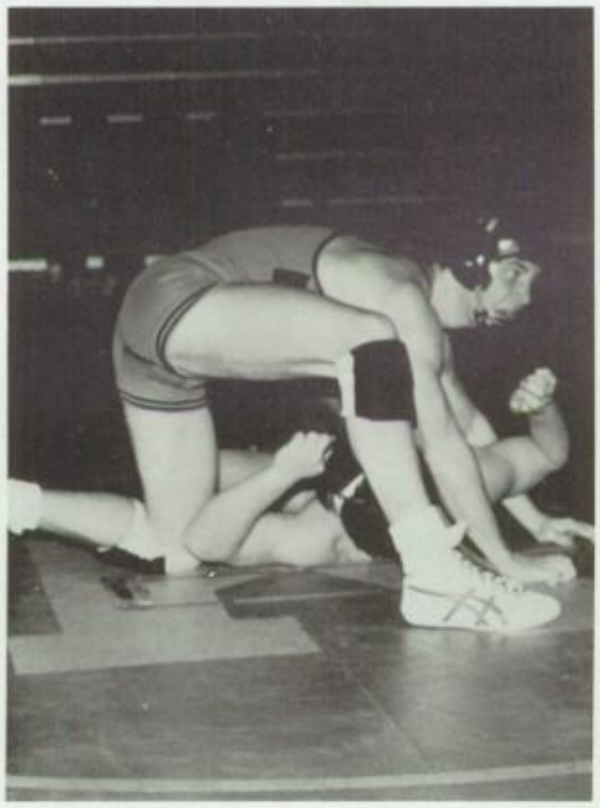
Shane moves in for the kill.

WRESTLING

This year, a few dedicated wrestlers helped East maintain its edge in this sport. At the beginning of the season, Coach Houban's team included 30 members. However, by early January, this number had decreased until there were 12 boys on the team, and only 4 of these had wrestled previously for East. Troy Kelley and Shane Simpson, the two Senior Captains, comprised half of this small number. As a result of their leadership abilities and the strong will of the other 10 members, the Cane legacy continued. East finished the season with a record of 19-3.

. . . and the home team goes mad with excitement!





What's the matter, Jimmy?

CHAMPION WRESTLERS

Many of our best wrestlers topped off a good year by competing in the District II tournament. Out of all those who competed from East, Brian Stubblefield won in the 112 pound weight class, Jeff Seiber won in the 98 pound weight class, Shane Simpson was champion of the 155 pound weight class, Dale Davis placed first in the 167 pound weight class, and Troy Kelly finished the year as champion of the 185 pound weight class. Jeff Thompson finished second in the tournament. Five wrestlers placed in Regional competition and advanced to the State Tournament. Jeff Thompson placed sixth in state competition.

BOY'S BASKETBALL

George gives Brian a lift.

This year, the Hurricane Basketball team improved over previous years. Led by Seniors Larry Harrell, who scored a team high of 263 points, and Brian Dean, who brought down 148 rebounds for East, the 'Canes earned a season record of 15-10. As a result of this record, the Basketball team was ranked fourth in the IMAC at the end of the year. This placing came after East gained a Conference record of 6-6, which featured victories over Cherokee, David Crockett, and Jefferson County. Although graduation will plague the 'Canes, there are many anxious underclassmen to fill the vacated positions next year.

Standing: Lindell Porter, Kenyon Hopkins, Ricahrd Orrick, Tommy Davis, Jeff Wright, Brian Dean, George Steadman, Kevin Strickland, John Surber, Mike Nicholson, and Chris Wells. Kneeling: Tony Moore and Larry Harrell.

BOY'S BASKETBALL

BOY'S B-TEAM BASKETBALL

Early in this season, the Boy's B-team, lead by Scotty Carpenter and John Brady, began their year well by opening with a 7-1 record. Coach Canter certainly trained them well offensively, but their talented defense was the key to winning in many games. This outstanding defense gave up an average of only 33 points per match. Later in the season, however, these Hurricanes seemed to not be able to pull their game together. After the Christmas Holidays, their almost flawless record slowly fell to a frustrating 11-10. Since this disappointing record clearly does not show the effort put forth by the B-team, it is obvious that these boys will certainly provide a great deal of talent and determination to future Varsity squads.

BOY'S FRESHMAN BASKETBALL

This year, the Boy's Freshman Basketball team came within one game of having a perfect year. They were abstained from this by Sullivan South, who won the game only after it went into overtime. According to Coach Cranford, this is one of the best team he has had in several years. It is then easy to understand why this team, which was known for its good defense, was decorated with many honors. Among these, the team was undefeated in the Conference and in the District, and they finished first in tournament play. Their final record was 14-1.

GIRL'S BASKETBALL

This winter, the Lady Canes seemed to lack the consistency necessary for a good season. In many games, the Girl's team lost by close margins after holding the lead earlier in the game. Examples of such two-point deficits include matches against Jefferson County, West, and Greeneville, of whom Coach Hux said, "We let them off the hook." However, the Hurricanettes did finish the season at .500 with a 13-13 record. They also placed fourth in the Conference, although only one team member, Lynette Cook, gained the honor of All-American Player.

Is this the gospel according to Hux?

Girl's B-Team Basketball

The Girl's B-Team Basketball squad spent its second year under the direction of Coach King. During this second year, the B-Team girls earned a season record of 9-7. Although they began slowly, the Hurricanettes stormed back after Christmas, winning their next four games. In this winning streak, Sullivan South and West Greene were defeated, and Cherokee fell twice during the Cane surge. The credit for these wins did not rest solely on the shoulders of any one player. Instead, the talent was shared, as was the credit for achieving their second place finish in the Conference. With their ability to "come on strong" during a crunch, these Lady Canes should certainly be a great help in filling next year's openings on the Varsity Team.

Guys & Dolls

Sky Masterson and Sarah Brown meet at the Save a Soul Mission.

Sky Masterson sings to his "Lady Luck."

The concert choir of East and West High Schools combined forces last March for a presentation of the musical *Guys and Dolls*. The production brought forth talent from many students. The members of the choir worked each day on the music, sets, and lines. The play consisted of gamblers, showgirls, missioners and ordinary New Yorkers. The setting was New York, which brought us mink coats, chase scenes, gambling, midnight prayer meetings, love scenes, and quarrel scenes. The play also took us to Havana, Cuba. There we found dancing, fighting, romance, and lots of fun. The choir and orchestra members put forth their utmost effort to present a fabulous play.

One More Night

"One More Night" was the theme for the 1985 prom. Last year, as always, the Junior class set up decorations and planned the prom. This time the tradition changed, the prom was held in the gym under the direction of Carlis Altizer and Elise Oaks. The "A-Team" was established then divided into committees. The gym was majestically and colorfully decorated with streamers, balloons, a sailboat, a bridge, a street-side cafe, streetlamps, city night scenery, and some dancing silhouettes. For those who attended, the prom was an outstanding event.

The delegate to Boys' State in 1985 was Keith Bailey. Held at Tennessee Technological University in June, the conference promoted a greater understanding of our government on state and national levels.

East's delegate to Girls' State in 1985 was Martha Freels. In a week long conference held at Middle Tennessee State University, Martha joined Girls' State representatives from all regions of Tennessee. This conference focused on pride in our government. Both Martha and Keith were chosen to represent East on the basis of character, honor, leadership, and courage.

If you tuned your television set to Channel 2, WSJK, at 5:30 any weekday afternoon, you surely saw the M-H East Scholar Bowl Team at work. For almost the entire year, a young, inexperienced team, the East scholars, held their own among teams from forty-two other East Tennessee teams. In January, still winning the double-elimination competition, these youthful competitors proved that perfect practice makes perfect.

Every day from 3:00 to 3:35, the seven members of the team answered questions posed by their experienced mentor and sponsor, Mrs. Connie McGinnis. Scrimmages with West High, Cherokee High and Jefferson County High sharpened reflexes and spontaneous answers. Juniors Foster Blount, Mack Longmire and Rob Spirko provided the experience.

Homecoming 1985 "Tan the Redman"

The week of October 18 marked a special time for Cindy Hartman, the 1985-86 Homecoming Queen. Escorted by Freddy Woods, she was crowned at the game of East vs. McMinn Co. Cherokees. The student body was all spirit. Monday was "Sweats Day," Tuesday, "G.I. Joe Day," Wednesday, "Nerd Day," Thursday, "Career Day," and Friday, "Color Day" with the Freshmen in black, Sophomores in white, Juniors in orange, and the Seniors in all three colors. The Pep Rally moved to Fred Miller Park. Riding on an Army tank, the cheerleaders were followed by the candidates and their escorts, the band playing "Victory" and "Watermelon Man." The entire student body marched down Main Street. At the Homecoming Dance that Saturday night we danced, laughed, and celebrated the ending of a spectacular week.

Ben said he would fight those Cherokees.

Fairy-Tale Wedding

Students in the first-semester Home Living class, with the assistance of Mrs. Margaret Spoon, organized a fairy-tale wedding. The purpose of the wedding was to emphasize the importance of marriage and to give students experience in making wedding plans. The bride and groom were played by Robin Arterburn and Roger Wells, and John Rowlett presided over the ceremony.

HONORS/HIGH HONORS

DAR

Nineteen students achieved the distinction of Honors and High Honors at M-H East for the graduating year of 1986. Representing several curricular areas from the arts and sciences to business and cooperative education, these students exemplified the drive, ability, and perseverence that culminate in excellence. Below are High Honors recipients, who maintained averages of 3.800 to 4.00: Stacy Creech, Annette Holt, Kashu Vyas, Prabhu Potluri, Susan Mayhew, Johnny Stokes, Randall Sweeney, Terry Wall, and Mike Madon. At left are the Honors students, whose averages for the four years ranged from 3.520 to 3.799: James Krell, Rodney Anderson, Amy Hoskins, Rhonda Drinnon, Hitendra Kapadia, Brain Bailey, Michael Coffey, (Not pictured) Jason Carter, William Saylor, and Martha Freels.

Each year the Samuel Doak chapter of the Daughters of the American Revolution honors an outstanding student who excells in leadership and citizenship. This year Hank Smith was selected by the Chapter to this honor.

JANUARY 28, 1986

After repeated reschedulings, the Space Shuttle Challenger was finally scheduled to launch on January 28, 1986. This launch was historical because Sharon Christa McAuliffe, age 37, was to be the first teacher/civilian in space. However, the launch became historical not because of triumph, but because of the "most devastating tragedy in American history." At 11:48 a.m., the shuttle, only seventy-five seconds into its flight, exploded. What we had feared would happen in the 25 years of the American space program, finally happened.

The American public expressed its sympathy and its anguish at the deaths of Francis R. Scobee, commander; Michael Smith, pilot; Ronald McNair, Gregory Jarvis, Judith Resnick, Ellison Onizuka, and Christa McAuliffe. Students at Morristown East were also greatly affected by the tragedy. "It was a shock," said Scott Vaughn, sophomore, while Lanette King, senior, said "It was like something out of science fiction. Even though I saw it, I couldn't believe it." But, just as we suffered, we regained hope. "It *was* a shock, but I think we should continue the space program," said Jimmy Brooks, junior. "We mourn seven heroes. We will continue our quest in space. There will be more shuttle flights and more civilians in space," because, as President Reagan said, "The future doesn't belong to the fainthearted. It belongs to the brave."

"Up, up, the long delirious
burning blue,
I've topped the
wind-swept
heights with easy grace.
Where never lark, or even
eagle flew,
And while with silent,
lifting
mind I've trod,
Put out my hand, and
touched
the face of God."

VETERAN'S DAY

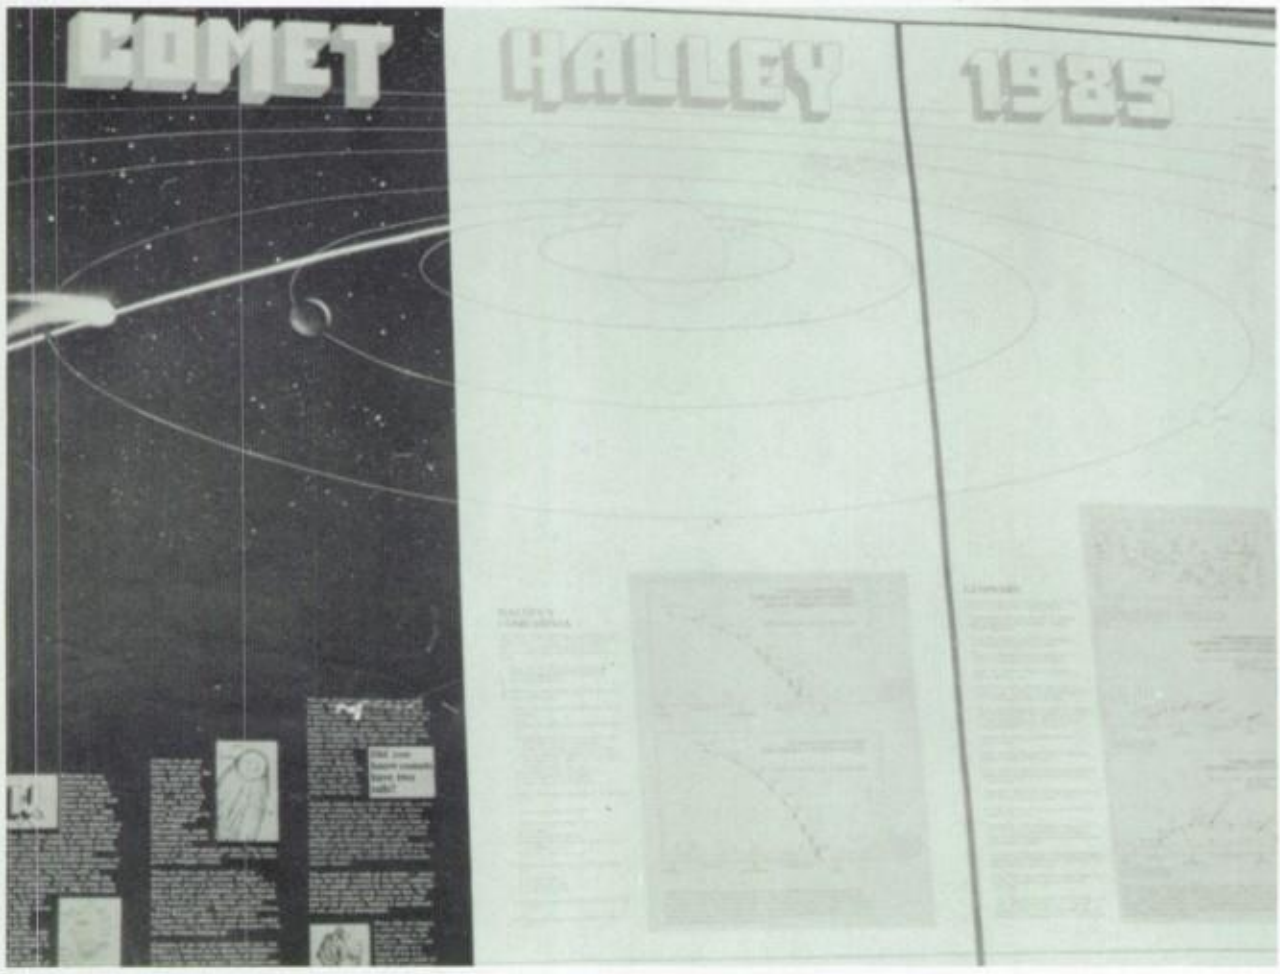
The Veteran's Day Program was held on November 11, 1985 at 9:30 a.m. The theme COURAGE was carried through with the presentation of the colors by Explorer Post 190, followed by the Varsity Cheerleaders with the pledge of allegiance. The student body was then asked to sing the National Anthem with the Choir and the band accompanying. Lisa Wolford, student body president, led the audience in prayer. The program was filled with patriotic music by both the band and the choir. The band performed "This Is My Country" and a beautiful arrangement of "Battle Hymn of the Republic." The choir performed "Oh Beautiful," "America," and "God Bless America."

Congressman Jim Cooper spoke about the qualities of courage to an attentive student body. Mr. Larry Wallace presented the introduction and the closing speeches exhorting the student body to be courageous and to thank their fellow Americans who have demonstrated loyalty, patriotism and courage.

STUDENT LIFE

While Halley's Comet blazed overhead, Morristown East students blazed their way through the 1985-1986 school year. Although we seemed oblivious to the return of an age-old comet, we involved ourselves completely in student life. Whether that life consisted of rigorous academic schedules, extracurricular activities, jobs, or simply a passion for the 3:00 bell, each of us showed unique lifestyles.

From complex English themes, to dramatics, to writing sentiments on washroom walls(or any other surface), we expressed our individual creativity while striving to maintain a "rhinoceros-like" conformity. Yet, for the good as well as the bad, we were the lives which comprised East — like it or not. And, as a voice of the student, ITAKHA presents a photographic record of the way it was in 1986.



DID YOU KNOW?

Edmund Halley determined an accurate way to measure the distance of the sun from the earth. His method was also used in determining the size of our solar system and the distances of other stars from the earth.

A comet is actually a mass of ice, snow, and other frozen materials.

The tail of a comet is sometimes *millions* of miles long.

Although the possibility is exceedingly small, the collision of the nucleus of a comet with a large city would probably destroy the city.

Mark Twain was born in 1835, the year Halley's Comet returned in the 1800's, and he died in 1910 when the comet next made its appearance.

In Latin, "comet" means "hairy star."

The first major shuttle disaster occurred in 1986 — the year of the return of Halley's Comet.

Each month the staff worked to produce the publication which reported entertainment, sports, and other school happenings to the student body. The members did relax, however, with a Christmas party and a Spring picnic. Elisa Oakes, sponsor, Lisa Wolford and Susanne Hubbs, co-editors, led the sophomore, junior, and senior staff members.

Room 216, housing the thrill and excitement of the year in review, was continually hopping with *Itakha* staff members attempting to meet their deadlines. Mrs. Robinson, advisor, assisted staff members with their duties. For the first time, two sophomores Eric Stubblefield and Margaret Bartlett participated in recording the events of the year.

Some of the staff members attended a workshop at Carson Newman where the *Itakha* won a first place trophy for the tenth straight year. At this workshop, the students learned the best way to compose a yearbook. Working on the staff of the 1986 *Itakha* was a great learning experience for us all.

A trip to Magic World with the children of Calloway Day Care Center proved to be the climax of the year for the Future Homemakers of America. The club's activities for the year included a Kid's Safety Project and a nation-wide Student-Body project where "teens taught teens" good health habits.

During the year, club members experienced the leadership roles they may face in the future. The officers Robin Gollahon, Traci Voiles, Melanie Morelock, Teresa Bowen, Gerri Horner, Traci Crittenden, Diane Hefner, and Sandra Miller helped conduct the meetings that were held the third Tuesday of each month. Ms. Fox, Ms. Helton, and Ms. Spoone co-sponsored the club and set the requirement for enrollment in one vocational Home Economics course.

AIASA

The American Industrial Arts Student Association was organized to promote appreciation of the methods of manufacturing and to learn the technology used by industries. Under the leadership of Mr. Leo Robinson, the club grew to include five chapters, periods 1, 3, 4, 5, and 6. During their meetings, the clubs had guest speakers on careers, and members held an annual "pizza pig-out." At this pig-out the club leased the Pizza Hut for the evening. AIASA gave its annual scholarship to an East High senior who will be entering a college of engineering, architecture, or technology to study in an engineering or industry-related field.

FFA

Under the supervision of Mr. Ray Henegar and his son, Mr. Marvin Henegar, the club's members succeeded in helping their community and their county. Meeting in the Agriculture Department, they strove to develop leadership, citizenship, and agricultural competencies. Many of the members participated in annual events such as the TVA and I Fair, soil judging, Parliamentary Procedure, Block and Bridle Roundup, livestock and cattle shows, and an awards banquet.

CO-OP VICA

Enrollment in the Cooperative Education program was the only requirement for the club, Co-op Vica. This not only allowed the students to prepare for leadership in their community, but also allowed them to work while going to school. Mr. Mike Watson assumed club leadership from Mrs. Connie Ailey.

The students took candy to the Youth Emergency Shelter on Halloween, and at Christmas the students participated in helping needy families. A competition was the climax of the year, and the club relaxed with a Christmas party. The officers Tim Tate, Doug Goins, Lacy Antrican, Harlan Buis, Pam Quinn, Susan Greene, and Mike Francis assisted Mr. Watson in the leadership of the club.

BASKETBALL QUEEN

For the first time in 3 years, East High crowned a Basketball Homecoming Queen. The Homecoming court consisted of 15 girls, each nominated by one of the clubs at East. Each candidate was escorted by a member of the Boy's Varsity Basketball team. During half-time of the East vs. South Greene game on February 11, Vickie Brewer, escorted by Larry Harrell, was crowned the 1986 Homecoming Basketball Queen. Sponsored by the Basketball Boosters, the election for queen was held on Friday, February 7.

Paul,
It has been a long time since I have talked to you, but I have heard you were good friends. I wish you the best of luck in whatever you do.

Each year the cost of publishing a yearbook increases. This year each book cost us $27.00 to publish, but each of you holding a book right now only had to fork over $18.00 for the opportunity to preserve the memories of 1985-1986.

In order for us to meet publishing costs, we look to sponsors within the community for financial backing. Without the tremendous help of these sponsors, this book would not have been possible. We would like to take this opportunity to thank all those people and businesses which advertised in this book.

Just think, without these people, where would you go on Friday and Saturday nights? Where would you take that special someone to dinner? Where would you buy clothes or food? Where and how would you blow all that hard-earned cash? We appreciate their support. Please show your appreciation by patronizing these businesses.

Paul,

Hey love, what's up? (I'm not mentioning your pants in this one) well, you'll be going to Florida Wednesday And Today is Monday May 12. I'll miss you down there. Paul I love you more than anything in this world. Even more than myself. You know what the ring represents ~~when two~~ people get married, Ever-lasting love. This is our meaning. We don't need the ring to symbolize our love Because we both feel it. I know you do. And you know that I feel it too. I guess what I'm really trying to say is I love you with All my heart. You are the best thing that has happen to me. I love you so much. Well I better go for now. Have fun in Florida. I love you oh so Much.

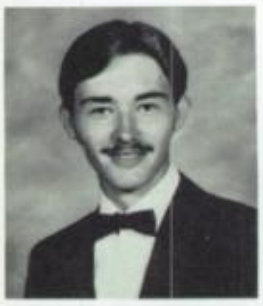
Those Beautiful Babies

Kimberly Jean Winn

Kimberly,

There are daughters, and there are daughters. You have always been a special daughter and have always made us proud to be your parents. We wish you the very best that life has to offer and we know that whatever path you choose will be one that we can be proud of. Our love for you will always be there through good times and bad times and we will always be your parents.

Love, Mom and Dad



Darrell Weidman

Darrell,
Congratulations! We love you. Good luck always.

Love, Mom, Dad, and Jackie

Shannon Duane Collins

Shannon,
Having a son like you makes me a very proud mother. May God's richest blessings be shared with you. My love will always be with you.

Love, Mom

Charles "Chuckles" Childress

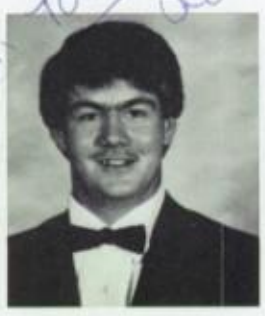
Love, Mom and Dad

Michelle Dawn Bowlin

Michelle,
Now you are a senior; it sure is difficult to believe. It only seems like yesterday that you were in grade school. You soon will be going into the world of rough and rocky roads. We know you have a level head on your shoulders and will be able to take on anything. May God bless you always.

Love, Mom, Dad, and Debra

Paul Haun



Congratulations Paul!
Though we seldom agree on anything, we love you and we are proud of you. We wish you love and happiness for the rest of your years.

Mom, Dad, and Leann

Billy Knight

Billy,
I am real proud of you. I really do hope you choose a good career for yourself. You have made me happy and I am really lucky to have a son like you.

Love, Mom

Lacy Antrican

Mom and Dad

Jane Ann Gilbert

Jane Ann,
You have always been my pride and joy. Having you around has been my source of strength. I love you so much.

Love, Mommy

Melanie Dawn McCarter

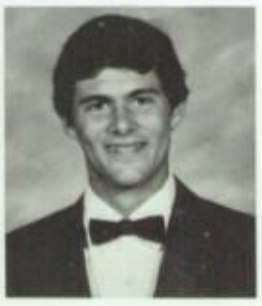
Melanie,
Throughout your life you have either given your best effort toward achieving your goal or you have given nothing. As a child, when you played, you played longer and harder than other children. When you got older, you either worked at peak performance or you did nothing. I would like you to continue life with this attitude because those around you will not get lukewarm efforts, and because I believe your best effort will be the controlling factor in your life. I love you.

Mom

Loma Faye Kyle

Loma,
You have made us very proud these past years and we know you will continue to make us even more proud. We love you and wish the very best for you.

Congratulations, Mom and Dad



Michael Nicholson

Mike,
How many times have we told you to pick up your socks, not to drink milk out of the box, to put gas in your car, and to turn down the loud music? Well, maybe nobody is perfect, but you are close enough for us. Not only are you a terrific son, you are our best friend. May God bless you with much success and happiness in all your endeavors.

We love you a bunch, Mom and Dad

Lisa Gail Sharp

Lisa,
I am very proud of you and love you very much. You are a joy to have as a daughter. Good Luck.

Love, Mom

Deborah Lynn Aarons

Debbie,
Congratulations on your graduation. You have a special place in our hearts, and you always will; a place that only a special daughter like you can fill.

We love you, Mom and Dad

Jonathan Henry Smith

Hank,
What a pleasure you have been to your family. You have always seemed to know where you're going and what it takes to get there. There is nothing greater than success and the feeling of accomplishment. So look out world, here he comes, and Mom and Dad are with you all the way.

Love you, Mom and Dad

Marna Page Patterson

Page,
Congratulations! I am so proud of you, but you know I always have been from the moment I first saw you. I love you very much.

With love, Mom and Dad

Melissa R. Turner

Melissa,
I hope, as your graduation day draws near, that you know how proud your Daddy would have been of you as you walk across that stage.
Love you, Mom

Love, Dad and Mom

Bryan T. Long

Love, Mom and Dad

Son,
You are our pride and joy. We know you have a successful life ahead of you.
Love, Mom and Dad

Upton Dabney Jr.

Upton,
Here is the child, and here is the man; both shown at the starting point of development. The child was full of energy, intelligence, and curiosity. The man has retained all these qualities while acquiring a self-reliant nonconformity and a mature respect for others. A good man. A good start.

Congratulations, Dad

Lynette Dawn Cook

Lynette,
It seems only yesterday that you were just a baby. We have been so proud watching you grow up. Our love will always be with you, but always remember to keep God first and you will have a happy and successful life.

Mom and Dad

Randall L. Sweeney

We thank God for you and the eighteen years of joy you have given to us. We love you very much.

Mom and Dad

Rhonda Jeanette Drinnon

Rhonda,
You have grown up so fast, but in our hearts you will always be our little "Bug-Jewel." We are so proud of you.

Love, Mom and Dad

Larry Hartman

Larry,
If we could start all over by taking a pencil and paper and making a list of all the things we wished for in a son we could never ask for or expect more than you have been. Watching you grow from a little boy to a very fine young man has filled our home with so much love and happiness. This we will miss very much, but please remember we're there when you need us.

We love you, Mom and Dad

Michael Lynn Francis

Mike,

Lawrence Franklin Hartman Jr.

Larry,
When just learning to walk you were always close behind me to watch me if I fell. When I grew older you were still there, although in a different way, to catch me if I fell, to pick me up, to dust me off and to give me a special push along the way. You are not only a brother but a friend. You have made me proud to answer "yes" when asked "Is Larry your brother?" I love you, Larry.

Cindy

Jennifer Ann Whittaker

Jennifer,
We are extremely proud that you are our daughter. You have always been an exceptionally sweet child. Now as you face adulthood we ask that you maintain your high moral standards and continue to make God the center of your life and in doing so you will find strength to accomplish any goals you set for yourself and to help in times of adversity.

Jason M. Carter

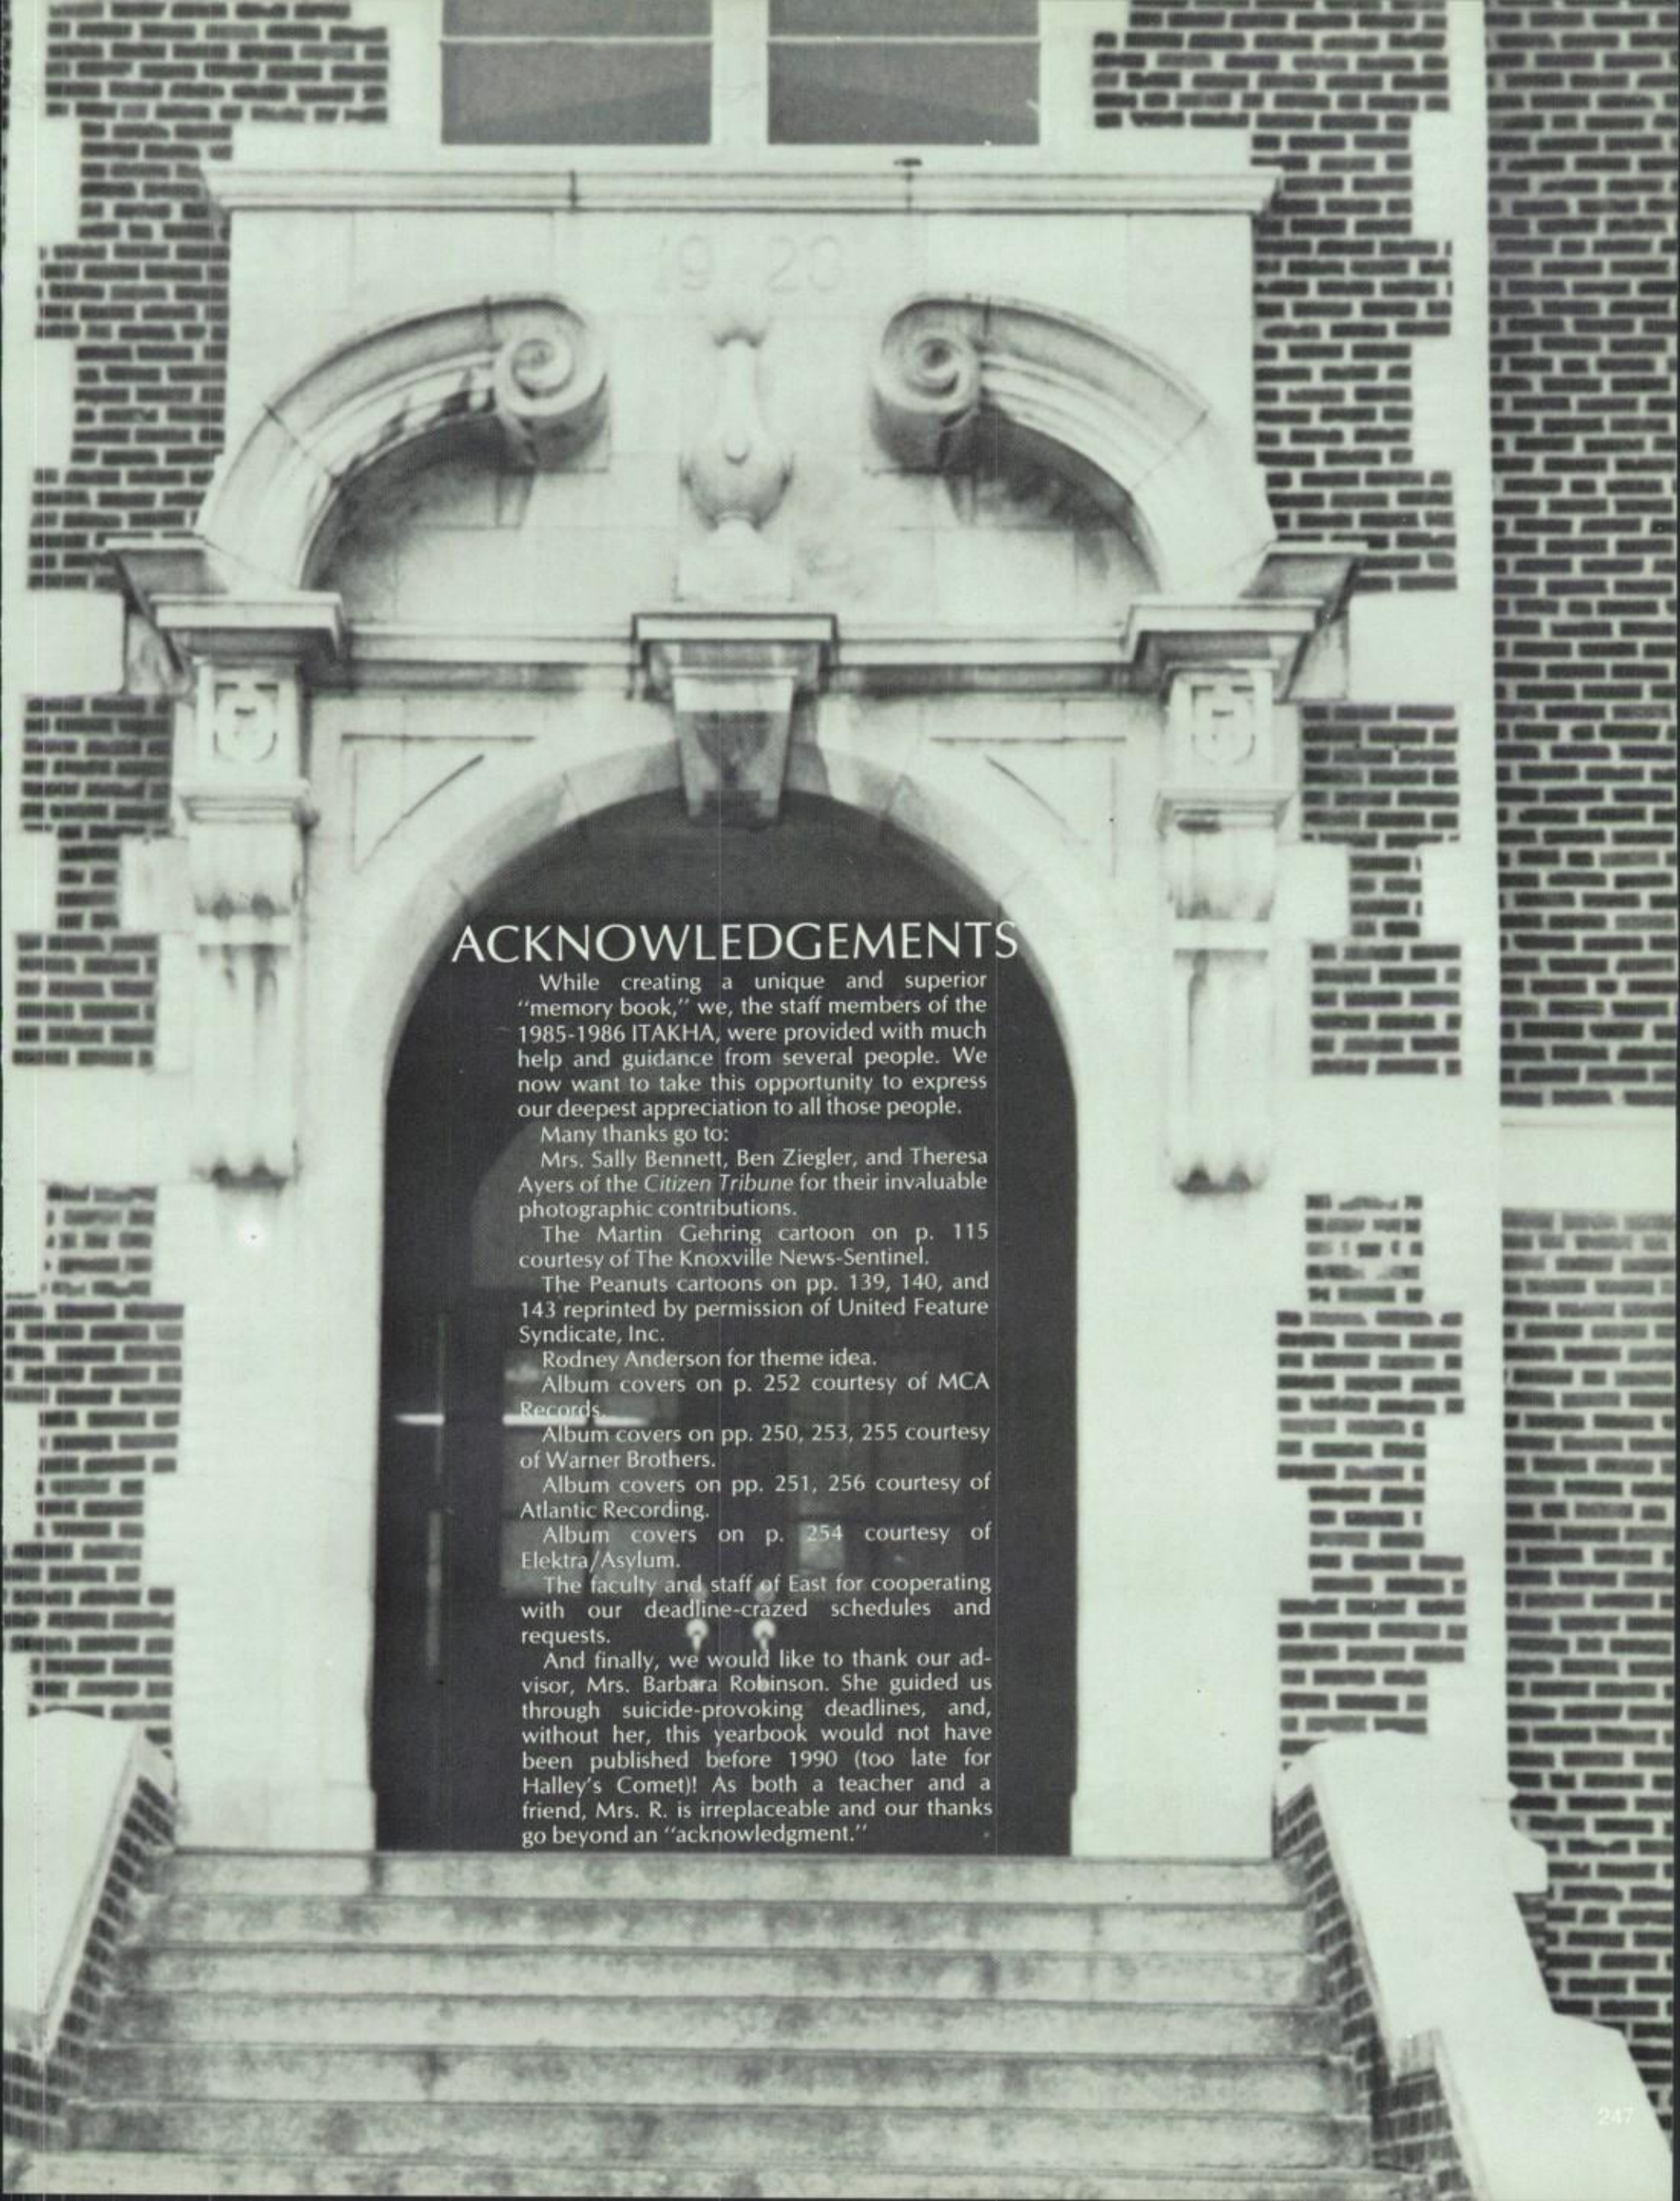
Jason,
Two roads diverge in a yellow wood And it matters not which one you tread. For God's most precious gift is life Not one's choice of turns — left or right. So it's in your love, beliefs, and thanks That you let your light so shine to all The road's but a means to achieving your call.

Love, Mom and Dad

Michael Ray Coffey

Michael,
We watched you with much excitement as you have grown from birth to a very determined and bright young man. Some special things that we have enjoyed watching so much is your love for Amison, model cars and airplanes, Dungeons and Dragons, books by the hundreds, computers, science fiction, the phenomena of Bill Whetsel, and this is just the beginning. You are a unique person and we love you. We don't know what to expect from you next. You are standing on the threshold of an exciting adventure. The next step is yours.

Mom and Dad



ACKNOWLEDGEMENTS

While creating a unique and superior "memory book," we, the staff members of the 1985-1986 ITAKHA, were provided with much help and guidance from several people. We now want to take this opportunity to express our deepest appreciation to all those people.

Many thanks go to:

Mrs. Sally Bennett, Ben Ziegler, and Theresa Ayers of the *Citizen Tribune* for their invaluable photographic contributions.

The Martin Gehring cartoon on p. 115 courtesy of The Knoxville News-Sentinel.

The Peanuts cartoons on pp. 139, 140, and 143 reprinted by permission of United Feature Syndicate, Inc.

Rodney Anderson for theme idea.

Album covers on p. 252 courtesy of MCA Records.

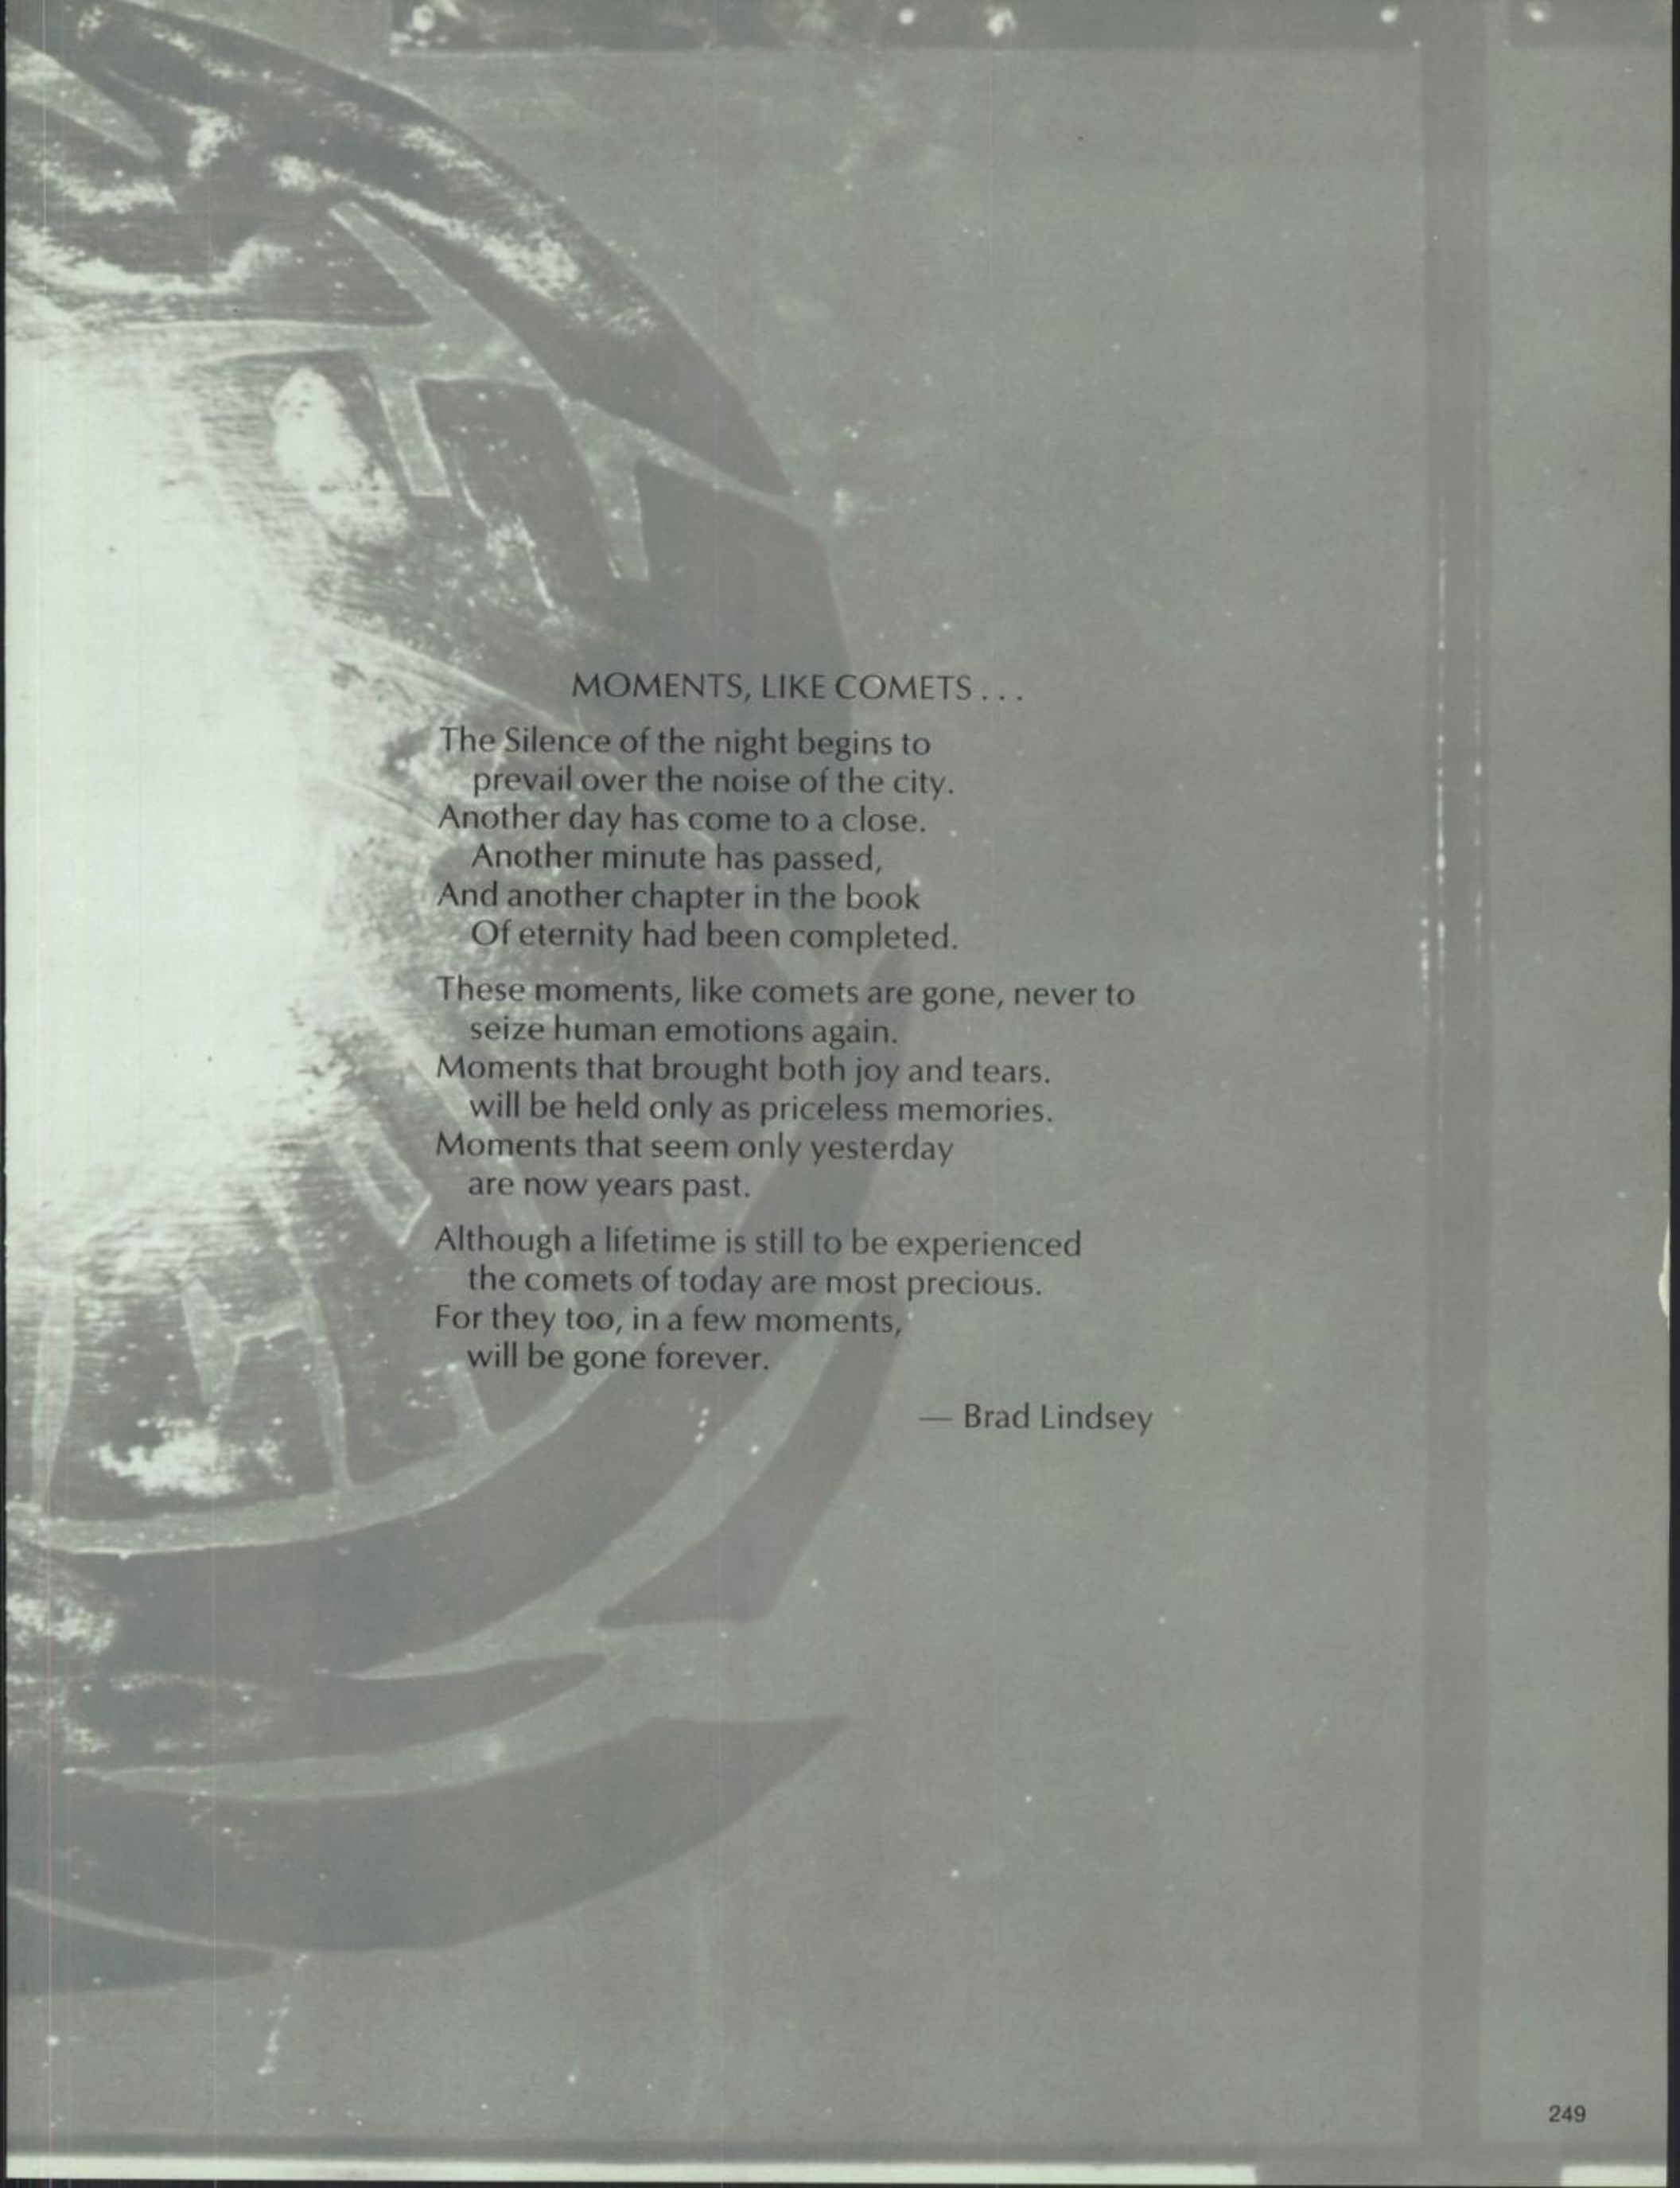
Album covers on pp. 250, 253, 255 courtesy of Warner Brothers.

Album covers on pp. 251, 256 courtesy of Atlantic Recording.

Album covers on p. 254 courtesy of Elektra/Asylum.

The faculty and staff of East for cooperating with our deadline-crazed schedules and requests.

And finally, we would like to thank our advisor, Mrs. Barbara Robinson. She guided us through suicide-provoking deadlines, and, without her, this yearbook would not have been published before 1990 (too late for Halley's Comet)! As both a teacher and a friend, Mrs. R. is irreplaceable and our thanks go beyond an "acknowledgment."



MOMENTS, LIKE COMETS . . .

The Silence of the night begins to
prevail over the noise of the city.
Another day has come to a close.
Another minute has passed,
And another chapter in the book
Of eternity had been completed.

These moments, like comets are gone, never to
seize human emotions again.
Moments that brought both joy and tears.
will be held only as priceless memories.
Moments that seem only yesterday
are now years past.

Although a lifetime is still to be experienced
the comets of today are most precious.
For they too, in a few moments,
will be gone forever.
